COVERED WORK

I would like to deposit:

- a print copy of my material in Newcastle University Library and
- an electronic copy in the Newcastle University e-Thesis Repository.

Research referred to below as "Work" is covered by this agreement and when I deposit my Work, whether personally or through an assistant or other agent, I agree to the following:

NON-EXCLUSIVE RIGHTS

Rights granted to Newcastle University Library through this agreement are entirely non- exclusive. I am free to publish the Work in its present version or future versions elsewhere. I agree that Newcastle University Library may, without changing content, translate the Work to any medium or format for the purpose of future preservation and accessibility.

DEPOSIT IN NEWCASTLE UNIVERSITY LIBRARY/THESIS REPOSITORY

The standard period of restriction for consultation is **6 months***, following which both the print and electronic version will be made available. After this time, I understand that:

- the print version will be made available for consultation in the Library or a Library to which it has been issued on inter- library loan, though it will not be permitted to leave the Library in either case.
- the electronic version deposited in the Newcastle University e-Thesis Repository will be accessible to a wide variety of people and institutions – including automated agents - via the Internet.
- An electronic copy of my thesis may also be included in the national British Library database of theses.

I understand that once the Work is deposited, metadata for the work will always remain visible, although the author retains the right to update the Work.

*[*An additional extension of restriction on consultation may be granted in exceptional circumstances with written permission of Supervisor and Dean of Postgraduate Studies. The following webpage provides further details: <https://www.ncl.ac.uk/students/progress/student-resources/PGR/keyactivities/Award.htm>]*

I AGREE AS FOLLOWS:

- That I am the author, or have the authority of the author, to make this agreement and to hereby give Newcastle University Library the right to make available the Work in the way described above.
- That the electronic version of the Work is the same as the final, approved print version, including all corrections.
- That I have exercised reasonable care to ensure that the Work is original, and does not to the best of my knowledge break any UK law or infringe any third party's copyright or other Intellectual Property Right.
- Newcastle University Library does not hold any obligation to take legal action on behalf of the Depositor, or other rights holders, in the event of breach of intellectual property rights, or any other right, in the material deposited.
